

JULY 2008

Hi. The Publicity and Marketing Committee (one off the four new sub-committee's) have now taken on the responsibility of getting the Hampshire YFC Newsletter published each month, and on time.

As this is our first newsletter would like to take this space to notify you about how we would like the newsletter to work from now on.

We would like each club in the County to appoint a Press Officer, somebody who we can contact each month to collect reports, results, photos and event information for example, to include in this newsletter.

We shall be contacting club Secretaries in the coming weeks to collect your Press Officer's names and contact details so please don't forget.

The newsletter will be published the first working day of each month, and therefore we would like any material to be with us by the 20th of each month for inclusion.

The new e-mail address for the newsletter is: newsletter@hampshireyfc.org or alternatively, you can send material to the P&M Secretary. (*Address below*)

Please remember, if you would like to receive this newsletter by e-mail, and not post please let us know, or go to the Hampshire YFC website and subscribe to it. www.hampshireyfc.org

We would like to invite everyone to come and join the Committee. If you would like to help us then please get in contact with us or come along to the next sub-committee meeting.
